$2.25

Illustrated in colour

"In the beginning..."

"It was the world, and there is my story of the stories begin with the words
the world, and there is my story of the stories begin with the words
the world, and there is my story of the stories begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
the world, and there is my story of the worlds begin with the worlds
