

## The Geelong Regional Branch of CBCA VIC invites you to join in our Book Week 2020 celebrations

Open to Primary and Secondary school students from CBCA VIC  
Branch member schools in the greater Geelong region.

Wonderful prizes of book packs for individuals and schools to be won!

1. **Create a book trailer** for a CBCA Shortlisted book or an Australian book you have read recently. Use iMovie, Moviemaker or any preferred app. Remember, a book trailer is like a movie trailer. You want to show others why they should read this book. Check out **Nathan Luff's** website for ideas.
2. **Write a book review** for a CBCA Shortlisted book or an Australian book you have read recently. Share your views on the story, characterisation and aspects of author/illustrator craft. Add illustrations or photos if you like. You may wish to share your review as a video or a written piece.
3. **Send in a photograph** of yourself in your favourite reading place at home...reading your favourite book.
4. **Create a rap, song, jingle or poem** about a CBCA Shortlisted book or an Australian book you have read recently. Send in a sound recording or a video of a performance.
